Know more

GEM is a community of public scholars demanding and embodying liberation. We share and value knowledge based on lived experiences, and create spaces of care, comfort and connection for Black people and others of the Global Majority. Find out more at gemcollective.org

Take action! So many ways you can show up:

- Get informed - eg with these resources
- Stay informed - follow shared accounts (and more!)
- Inform others - share this zine - find a printable version at tinyurl.com/GEMresourcezine
- Add accessibility to amplify: retshare/ quote tweet images & add alt text
- #AltTextPalestine started by @Sblahov
- ⇒ #AltTextCongo & #AltTextSudan
- Adopt a fundraiser - share regularly
- Boycott: - BDS list (Palestine) - New iPhones (Congo) - UAE (Sudan)
- Join a local action group - do some actions
- Do what you can - change takes time.

"I'd rather radicalize you rather than lead you to despair" - Mariame Kaba
